#### Next Performance

- Tornado Warning, hail and rain accompanied this performance. Due to the weather we had a half hour intermission; first half to keep audience in the theatre and then ten minutes to go to the snack bar and use the restroom.

- The show started of well, a gentleman in the very front row stood up to leave allowing for the actors to have some.

- Jason missed his conductor spot during train 2, Joey made up some lines later while writing his letter to Holmes.
